New line-up announcement:

Jungle

July 18, Super Bock Stage

18-19-20 July

Herdade do Cabeço da Flauta, Meco - Sesimbra

This year, **Super Bock Super Bock** is back to **Sesimbra and Meco** on **July 18, 19 and 20**. Joining Lana Del Rey, The 1975 and Cat Power, we're proud to announce another name that will brighten up the **Super Bock Stage** on the same day, **July 18**. **Jungle** are here to make you party.

JUNGLE

Josh Lloyd-Watson and Tom McFarland are the childhood friends who lead Jungle, a band formed in 2013 and have since been one of the references when it comes to the best soul funky music nowadays. Irresistible falsettos and a special taste for stage performing. Today, they are seven musicians up on stage, giving their all to each song and ready to turn it up. When we say that Jungle is one of the best live bands in the world today, it not an overstatement. They have been impressing since their first singles like "Platoon" or "The Heat". Their self-titled debut album was released in 2014 and everyone surrendered to them. Within a neo-soul idea with some hints of psychedelics, they don't deny the influences from the best funk of the 70's but also echoes of more recent bands such as Tv On The Radio or Gnarls Barkley. We'll dance to the sound of songs like "Busy Earnin" or "Time". "For Ever", their last album, was released in September 2018. Los Angeles is the backdrop for these new songs but their identity remains. "Heavy, California", "Happy Man" or "House in LA" are the best evidence that the party will go on, with the same soul and a truly contagious energy. July 18, at the Super Bock Stage, in Super Bock Super Rock.
