

STICK & STONE

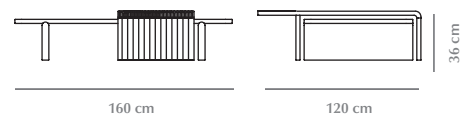

CENTER TABLE

As a way to attain perfection, one must balance two opposite parts that complement each other and are mutually exclusive, meaning one cannot sustain without the other. This concept is behind Stick and Stone Center Tables, by combining two very different materials, the hard and raw travertine with the soft and warm oak, creating a visual dichotomy that projects perfect balance.

Upper table Natural Oak or Natural Walnut

Lower table Travertine

Package dimensions 900 x 1770 x 550 mm
