

BRAQUE

SIDE TABLE

Celebrating a new invented reality, smooth and rough surfaces contrast with one another giving way to a new approach in shape and balance. Braque Side Table shows a torn and fragmented form, exposing the inner core of its base, which can be seen from a whole new perspective. This rebel approach took inspiration from Cubism and its influence in the representation of reality, leading to a deconstruction of shapes and revealing simultaneous view points at the same time.

Top	Marble: Carrara, Estremoz White, Estremoz Rose, Green Guatemala, Emperador, Nero Marquina, Travertine
Cylinder	Coloured Cement, Estremoz White, Estremoz Rose
Base	Coloured Cement, Natural travertine
Package dimensions	670 x 700 x 790 mm
Product weight	63 Kg no package / 78 Kg with package
