

WHITE
2019

TERRA CHAMA
AS RAÍZES DO DÃO

A classic white wine with *terroir*. Lush and firm, with perfect balance between sugar and acidity.

2019 year was characterized by large fluctuations in temperature values and lower than normal annual precipitation, considered a dry year. The climatic conditions led, in an initial phase, to a slight advance of the vegetative cycle in relation to the average of the last 5 years, an advance that has been attenuating over time. Despite the occurrence of showers and dews during the month of June, the climatic evolution recorded later, contributed to an excellent phytosanitary quality of the bunches at harvest and the plant cycle was within the normal values for the region.

The harvest started on the 4th of September and provided generous musts of high quality, in general with a balanced acidity and a good level of phenolic compounds.

Viticulture and Winemaking:

Grapes from 21 year old vines, harvested by hand into 20 kg boxes. Crushing with total destemming and gentle pressing, where the must is established by the open spout process, and later decanted statically at low temperature for a period of 24 hours. It partially fermented in oak barrels and stainless vats steel at a temperature of 16°C, for a period of 22 days. It aged naturally in contact with fine lees for 9 months in stainless steel vats and new Hungarian oak barrels. Minimal intervention.
